

SWAMI VIVEKANANDA RURAL COMMUNITY COLLEGE

Diversity and Inclusion

The college promotes and appreciates diversity and inclusion in everything that it does. There is no discrimination of any sort on account of differences in ethnicity, gender, age, disability, personality type, thinking style, sexual orientation, education or religion. We appreciate the varied backgrounds from which our students and staff come.

We believe that every soul is potentially divine and therefore these superficial differences have no place in our world of respect, appreciation and above all love for the individual.

We focus on the needs of each and every individual student and staff that make up the college so that no individual is left out. We do our best to ensure the right conditions are in place for each person to achieve his or her full potential. This inclusion is reflected in our culture, our mentoring and other practices and relationships – in studies, in sports, in participation in extra curricular activities, in everything we do.

If diversity is the mix, at SVRCC we do our best to get the mix to work together.
